Vishay Sfernice

Fully Sealed Potentiometer Cermet or Conductive Plastic

FEATURES

- PRV6S high power rating 1.5 W at 70 °C (cermet)
- PRV6A 0.75 W at 70 °C (conductive plastic)
- Tests according to CECC 41000 or IEC 60393-1
- Low cost
- Fully sealed and panel sealed
- Compatible RV6 (MIL R 94)
- Mechanical endurance 50 000 cycles
- Material categorization: for definitions of compliance please see www.vishay.com/doc?99912

Revision: 02-Sep-16

MARKING

- Vishay trademark
- Part number
- Manufacturing date code
- Terminal: 1

PACKAGING

• Box of 15, 20, 25, or 50 pieces, code B12, B15, B17, or B25, depending of body and shaft construction

| OPTIONS | | |
|------------------|--|---|
| SPECIAL FEATURES | | |
| Panel sealing | Except for dia. 4 mm shaft, an O.ring is into the groove of the body and ensure For dia. 4 mm shaft please see note "P | |
| Shaft locking | Bushing E 12.7 (0.500) Conic nut wrench 8 (3/16) Bushing S no panel sealed (61Q) (0.031) EA EB EB EB EB EB EB EB EB EB EB | AA/BA AJ/BJ |
| Shafts | | mounting face to the free end of the shaft. Special shafts are wing. The shaft slot is aligned to the wiper within \pm 10°. |
| Hardware | Nuts, washer and O.ring are separately placed in the packaging. | y supplied (not mounted on the potentiometer), in a small bag |
| Locating peg | | broken-off by the customer. On request, the orientation of the Locating Peg R Bushing: H-I-S (locking shaft, not panel sealed) Panel $\underline{\phi}_{(1,0)}^{(7,2)}$ Without Locating Peg Panel sealed bushing: Panel $\underline{\phi}_{(1,0)}^{(7,2)}$ |

Disclaimer

ALL PRODUCT, PRODUCT SPECIFICATIONS AND DATA ARE SUBJECT TO CHANGE WITHOUT NOTICE TO IMPROVE RELIABILITY, FUNCTION OR DESIGN OR OTHERWISE.

Vishay Intertechnology, Inc., its affiliates, agents, and employees, and all persons acting on its or their behalf (collectively, "Vishay"), disclaim any and all liability for any errors, inaccuracies or incompleteness contained in any datasheet or in any other disclosure relating to any product.

Vishay makes no warranty, representation or guarantee regarding the suitability of the products for any particular purpose or the continuing production of any product. To the maximum extent permitted by applicable law, Vishay disclaims (i) any and all liability arising out of the application or use of any product, (ii) any and all liability, including without limitation special, consequential or incidental damages, and (iii) any and all implied warranties, including warranties of fitness for particular purpose, non-infringement and merchantability.

Statements regarding the suitability of products for certain types of applications are based on Vishay's knowledge of typical requirements that are often placed on Vishay products in generic applications. Such statements are not binding statements about the suitability of products for a particular application. It is the customer's responsibility to validate that a particular product with the properties described in the product specification is suitable for use in a particular application. Parameters provided in datasheets and / or specifications may vary in different applications and performance may vary over time. All operating parameters, including typical parameters, must be validated for each customer application by the customer's technical experts. Product specifications do not expand or otherwise modify Vishay's terms and conditions of purchase, including but not limited to the warranty expressed therein.

Except as expressly indicated in writing, Vishay products are not designed for use in medical, life-saving, or life-sustaining applications or for any other application in which the failure of the Vishay product could result in personal injury or death. Customers using or selling Vishay products not expressly indicated for use in such applications do so at their own risk. Please contact authorized Vishay personnel to obtain written terms and conditions regarding products designed for such applications.

No license, express or implied, by estoppel or otherwise, to any intellectual property rights is granted by this document or by any conduct of Vishay. Product names and markings noted herein may be trademarks of their respective owners.
